COMPLETE THE LOOK

Continue the modern aesthetic of your installation with a large selection of MiniGrid® Ingot Modules, allowing you to create virtually any switch plate you require.

When it comes to media cabling all New Media™ modules are now available in grey to complete the finish of your Click® installation.

MINIGRID®

Modular as standard

Click® Wiring Accessories have interchangeable plates and modules. MiniGrid® Modules are interchangeable with pre-assembled plate switches or can be mounted into the unfurnished switch plates throughout our ranges.

MiniGrid®

Seamless finish

The New Media™ range encompasses a wide range of media and power modules, providing the designer and installer with a host of solutions for all manner of media cabling problems.
